Um, the original sentence in here is a pun on how he will proceed to set up t- make the tea. But instead of using this 立て (tate) it uses this 勃て (tate) (as in 勃起 bo-ki which means erection. The people kind) instead to make a pun. I h- hard time trying to think of one in English that might suit the original sentence- anyway this is the best I can come up with...OTL

EVEN THE KANJI HAS TURNED ROTTEN!!*

WELL THEN, I SHALL PROCEED TO WHIP UP SOME TEA.*
